

Qualified Carpenter with Glazing Experience - Construction - Lolland, Denmark

Bonde Glas ApS - Nakskov

Bonde Glas is looking for a **qualified carpenter** with knowledge or experience of the glazing trade to join our team on Lolland in southern Denmark.

You'll need to already have the **legal right to work in Denmark** (for example, EU/EEA or Swiss citizenship, or a valid Danish work and residence permit). Unfortunately, we're not able to offer visa or work permit sponsorship for this role.

Your role

You will work with a wide range of carpentry tasks and work closely with the glazing side of the company. We are therefore looking for a carpenter who is comfortable with varied practical work and interested in working across the two trades.

Who you are

- You are a **qualified carpenter**
- You have knowledge or practical experience of the **glazing trade**
- You have a **valid driving licence**
- You can communicate in **English**
- Is willing to **relocate to Lolland** and make the area your place of residence
- A valid asbestos training certificate is a strong advantage

What we offer

- **Gross hourly wage: DKK 150-200**, depending on **qualifications** and **experience**
- **Permanent employment**, 37 hours per week, Monday to Friday
- Occasional overtime may occur, but weekend work is generally not required
- Pension scheme
- Flexible benefits account for extra vacation, salary or pension
- Assistance with finding suitable accommodation

About Bonde Glas

Bonde Glas is a local glazing company on Lolland. In addition to glazing work, the company also employs carpenters and carries out a wide range of practical assignments.

About Lolland and Relocation Support

Lolland is located in the southern part of Denmark, offering a peaceful lifestyle with easy access to nature, beaches, and open countryside. The region combines affordable housing, short commuting distances, and a strong sense of community.

The region is currently experiencing significant development, partly due to the Femern Belt Fixed Link, one of Europe’s largest infrastructure projects, which will create a direct road and rail connection between Denmark and Germany.

As an international employee, you will have access to Lolland Municipality’s Newcomers Service, which offers free support with relocation, registration, housing guidance, partner job support, and settling into life in Denmark.
