JOB DESCRIPTION

As a Bus Driver with Stromma, you play a crucial role in offering exceptional sightseeing experiences to our guests. You will navigate through some of Norway's most scenic routes, providing a safe and enjoyable journey for travelers from all around the world.

- Safely driving sightseeing buses on various routes.
- Performing pre-trip inspections, including :logging into our system, checking tyres, lights, oil and fuel levels.
- Maintaining cleanliness and presentation of the bus.
- Maintaining professionalism and offering excellent customer service.
- Adapting to flexible schedules during peak and off-peak seasons.

LinkedIn

This project is funded by the European Union

- Correctly register and report working hours using Tachograph Card and our internal registration system

WE OFFER YOU

- Competitive salary starting at NOK 40 000,- per month plus vacation pay and bonus (if full time).
- Rotational work schedules. 40 hours average work week and paid overtime opportunities. • Insurance coverage.
- Access to staff housing rental.
- Extensive onboarding and training program.
- Work and meet people from all over the world.
- Seasonal work opportunities (primarily April to October) with potential for year-round engagement.
- Stromma Employee discount card

If you are coming from abroad, we will assist you with all the necessary paperwork required to start working and living in Norway. We also help with accommodation to ensure you get a good start in your new country.

HOW TO APPLY

Application on line (ENGLISH) <https://bit.ly/3LCbbQb>

DEADLINE: March/31/2026.

For questions email rekruttering@stromma.no

*Candidates must obtain and possess a valid Norwegian Passenger carrying vehicle (PCV) driver's licence (kjøreseddel), essential for professional driving roles such as buses. This process involves meeting specific criteria, including a clean criminal record and medical certificate. Your PVC can be obtained as part of the recruitment process if candidates do not have this already. Read more about PVC here
