

10 PELUQUEROS/AS con inglés. Föhn Hairstudio AS. Oslo, Romerike

Over the past 35 years the company has changed from being a drop-in concept in the 1980s and 1990s, to becoming one of Norway's leading companies in quality hairdressing with more than 80 000 yearly customer visits since the 2000s. To this day, the first salon is still located in the same premises where the first customers first sat down in a chair in 1985. Here, as in the rest of the company's salons, they work hard to deliver the best possible quality and make sure the customers get unique options not to be found elsewhere.
