Job description:

Responsibilities:

As a Pharmacist with us, it goes without saying you will be providing excellent customer and patient care that will be inspiring and reassuring. It's more than just dispensing medicine, it's looking after our customers and patients, listening to them and giving expert advice.

Key responsibilities include:

- Working in partnership with the healthcare team using your own intuition, expertise and experience to deliver complete care solutions for our customers and patients.
- Setting the standard of what a brilliant pharmacy 'looks and feels like' from an operational perspective by working in partnership with your pharmacy healthcare team.
- Delivering the pharmacy strategy through care conversations with customers and patients providing expert advice throughout.
- Accountable for professional pharmacy legal & ethical decisions in the pharmacy.
- Actively supporting the development, education & training of colleagues; building pharmacy capability of store teams.
- Conducting regular reviews, audits and risk assessments to protect patient and public safety.
- Work to deliver world class professional services – personally and through the pharmacy team.

REQUIREMENTS
